"IT TAKES A WHOLE VILLAGE..."

They say "it takes a whole village to raise a child" but for too many of the parents we meet this is just a cliché rather than a reality.

The well-documented irony of living in towns and cities is that more people living closer together has left many feeling isolated. Through our smartphones we're instantly connected to people on the other side of the world but we struggle to have a conversation with those on the other side of the fence.
